This guarantee covers the products of INTERPLAST and its subsidiary ELVIOM as described in the company's technical manuals.

- 30 years for Como-pex and Como-pex Oxygen barrier pipes
- 30 years for Como-floor pipes used in underfloor heating installations
- 10 years for brass fittings made by ELVIOM S.A.
- 10 years for Aqua-plus pipes and fittings
- 10 years for sewage pipes manufactured in accordance to the Greek standard ELOT 686B
- 10 years for sewage fittings manufactured in accordance to the standard EN 1329

INTERPLAST S.A. is obliged, in the event of damage, to carry out disassembly and re-assembly of the specified items and repair all the immediate damages caused by its products, under its own management or to assume the incurred expenses after the budgeted liability has been checked and approved by INTERPLAST.

In addition, compensation is provided for damages resulting from civil liability related to the product or our own liability owing to faultiness of the abovementioned products.

We guarantee the aforementioned lifespans from the date of installation to the amount of up to €500,000 per incident and a maximum of €3,000,000 over the course of a year.

Conditions for the compensation mentioned above:

- a. Damage is reported within 14 days at latest.
- b. Instructions have been followed precisely (see technical manual) relating to installation and operation of INTERPLAST pipes and fittings.
- c. The present statement has been signed and submitted to our company within a maximum of 15 days from commencement of operation.

On behalf of INTERPLAST S.A.

We confirm that our works, i.e. installation of Interplast S.A. pipes and fittings, were carried out in accordance with the instructions described in the company's technical manuals.
